Notice

2018 All Discounted / Reduced Care Guidelines Medical care if you cannot afford to pay

Size of Household	CCS 100% discount Income Guidelines	CCS Reduced Fee Income Guidelines
1	\$12,140	\$24,280
2	\$16,460	\$32,920
3	\$20,780	\$41,560
4	\$25,100	\$50,200
5	\$29,420	\$58,840
6	\$33,740	\$67,480
7	\$38,060	\$76,120
8	\$42,380	\$84,760

For family units with more than 8 members, add \$4,320 for each additional family member

If you believe you qualify for 100% discounted or reduced fee care, please ask the receptionist for an FQHC/All discounted/Reduced Fee (Sliding Fee Scale) application. You can also print an application from our website www.communityclinicalservices.com. At some of our offices, a person can help you complete the application. You can also call the CCS/St. Mary's Regional Medical Center's Financial Counselor at 777-8208 and they can help you through the process.

Community Clinical Services is a federally qualified health center dedicated to offering high quality health care services to patients regardless of your ability to pay. We partner with the St. Mary's Regional Medical Center. They also have a Free Care program for lab work and other medically necessary services. Our application allows you to apply for both at the same time. Your health is our passion. If your income is below the guidelines, ask us for an application.
